

Tour 6 National Gallery

National Gallery Singapore is a new visual arts institution which oversees the largest public collection of modern art in Singapore and Southeast Asia. The Gallery is housed in two national monuments—former Supreme Court and City Hall—that have been beautifully restored and transformed into this exciting venue in the heart of the Civic District.

Reflecting Singapore’s unique heritage and geographical location, the Gallery will feature Singapore and Southeast Asian art in its long-term and special exhibitions. It will also work with leading museums worldwide to co-present Southeast Asian art in a wider context, positioning Singapore as a regional and international hub for the visual arts.
