

## **Workshop 4      Animal Softies** *Kids Sewing Workshop*

This is a Level 1 workshop: no prior sewing experience needed.

Regardless of age, all of us have a favourite animal, be it a dog, cat or elephant. That is why we have come up with a range of delightful animal softie workshops to cater to your specific preference and age (minimum 6 years old). Perfect for any setting and even on the go, these softies are sure to add fun and colour to your day with their quirky designs. What is more, you get to customize your fabric choices from our assortment of lovely fabric designs! We believe it is important that your softie bears your personal touch since it is likely to be your trusted companion for life.

\*\* You'll learn to operate a sewing machine, sew curved lines according to seam allowance, attach appliques (for softies with appliques only), stuff your softies as well as close a gap.
