No. 1 / 1 June 2021

AOSC 2021 – Celebrating 30 Years of AOS and the First Online Edition with AOS Congress 2021

1 June 2021, Singapore – For the first time, the Association of Orthodontists (Singapore) Congress (AOSC) will be converted to a fully digital event. The digital event will take place between 2 July 2021 to 11 July 2021. This edition of AOSC aims to bring together and connect orthodontists from all over the globe with world-renowned experts, researchers, and thought leaders. The digital platform will run online for 10 days and feature quality content, networking opportunities and a vibrant digital exhibition showcasing the latest products and solutions in the dental market.

Organised by the Association of Orthodontists (Singapore), AOSC 2021 will host renowned speakers from the orthodontic community including 20 Speakers with the likes of Dr. Chris Chang, Dr. Steven Lindauer, Dr. Ute Scheider-Moser gracing the digital stage. Boasting a comprehensive conference programme, attendees can look forward to an exciting and insightful lineup of sessions. "Inspired by the pivot from an in-person event to a fully digital AOSC 2021, the committee took on the theme of change for the digital scientific conference. Under the overall conference theme 'Celebrating 30 Years of AOS. Change - Are We Ready?', AOSC 2021 explores every aspect of orthodontics from how the pandemic has challenged the way we practice to re-examining our scientific basis and even our appliances," explained Dr. Bryce Lee, AOS President and AOSC Chairperson. With the positively developing attendee numbers for a first-time digital edition, the AOSC 2021 Committee is excited and looking forward to a successful event.

Covering a wide variety of orthodontic topics, this year's conference will have something for every orthodontist. Key conference sessions include:

- Aligner Orthodontics: From Basic Research to Clinical Applications by Tomasso Castrolorio
- Treatment Of Anterior Open Bite – Nuts And Bolts by Dr. Chris Chang
- Artificial Intelligence Driven Orthodontic Care: A Flight to Utopia? by Dr. Nikhilesh R. Vaid

The AOSC conference will help orthodontist professionals to upskill and network from home by attending a mix of over 19 live and pre-recorded sessions online that delegates can learn from at their own schedule. Registered delegates can earn up to 21 Continuing Professional Education (CPE) Points by attending conference sessions.

Alongside the conference, the AOSC 2021 Exhibition will showcase participating exhibitors online. Visitors can also look forward to discovering the latest products and solutions at our digital exhibition from leading Orthodontic companies and brands including Ormco, Henry Schein, Invisalign and more. They will also be able to interact with representatives from exhibiting companies via chat and other interactive functions that are being built into AOSC's digital platform.

Besides the Congress and Exhibition, AOSC 2021 also features supporting events like AOSC Virtual Run and Scientific Poster Competition. This edition of the run will allow attendees to take on challenges like competing with other runners from the comfort of their own home, gym or favourite park.

Conference and Exhibition Tickets are still available online, please visit our website at <http://bit.ly/AOSC21REG> to purchase your conference passes.
